## FIRST EVER DRIVE-THROUGH ANNUAL PARTY

Who knew a drive-through event could be so much fun! Our meticulously planned annual lakeside party turned out to be a celebration of much needed **RAIN**. Many thanks to our MVPs:

- \* CCTH Staff and the Beauty & the Bistro catering crew for last minute adjustments
- \* CCTH owners who braved the weather to set up & take down decorations and package & distribute 40+ meals:

Carolyn Motes, Bonnie Dugan, Suzie & John Johnson, Amy Krams, June Leibfarth, Sylvia & Raul Prezas

**BLESSED ARE THE FLEXIBLE  
FOR THEY SHALL NOT BE BENT OUT OF SHAPE**

**“Oh, I get by with a little help from my friends...”**

### Neighbors' Ideas to Save Water

Run dishwasher only when full

Match washing machine water level to load size

Turn off water while brushing teeth, back on to rinse

Collect “greywater” in your shower and kitchen sink to use for watering plants (but not vegetable gardens or drinking)

Send your water-wise ideas to [CCTHnewsletter@gmail.com](mailto:CCTHnewsletter@gmail.com)

## NATURE NOTES

Our Purple Martins are back! The white poles topped with gourd-shaped nesting boxes by the lake attract these beautiful swallows every spring. The birds entertain us with their acrobatic graceful flight and their lovely twittering song. Martins feed on dragonflies, beetles, wasps, moths and occasionally mosquitoes. They eat, drink and bathe on the wing. Arriving in late March, they raise their young, then leave for South America in early July. Enjoy them while they're here! And thanks to our neighbors who clean the nest boxes and protect them from sparrows: Jim Whitworth, Val Elizondo, John Winstead, and Brian Sullivan.
